Dear Parent/Guardians:

I would like to take this opportunity to welcome you to *Maltrait Memorial Catholic School*. This handbook has been compiled in an effort to provide each student and parent with a thorough understanding of school policies. These policies have been given a great deal of consideration. It is important that the school have an atmosphere conducive to learning and the rights of individual students be protected. We ask that you as parents and guardians to support our school policies, procedures, regulations, rules and personnel.

The school community is committed to education of all young people. We can do this best at Maltrait by bringing together the family, the church, and the community in our daily activities. Working together, the home, school, church and community shall be enriched.

The first duty of each student and family will be to fully familiarize themselves with this material so there will be no excuse for failure to comply with the rules.

Please read this handbook in its entirety. Please sign and return the signature required pages and return it to your child's teacher.

Sincerely,

Renee' C. Meaux
Principal

HISTORY

The dream of Kaplan's first Catholic priest, Reverend August Joseph Maltrait, Pastor, from 1896 to 1921, has become a reality and stands today as a monument to the faith and devotion of Kaplan's many Catholics.

Pere Maltrait planned from the beginning, for the day when the parish could have a convent of its own to offer a Catholic Education to its youth. He acquired marshland and held it with a view to using it someday for a Catholic School. He did not live to see his dream come true, but his vision and guidance had left their mark and in 1952 a Catholic School was opened. It was named in his honor as the Maltrait Memorial School.

Maltrait Memorial School opened its doors on September 2, 1952, to 81 youngsters. Classes in the first three grades were offered, but a grade was added each year until a full eight grade elementary school was in operation.

Monsignor Gustave Berube' was successful, after much effort, in persuading the order of the Grey Nuns of the Cross to come to Kaplan and operate the school. On September 8th he blessed the school.

In 1955 a gymnasium was constructed, partially with lumber salvaged from the old church building. Another great addition to the school was the outdoor statue of St. Dominic Savio, patron saint of school children, donated by the late Oday Vincent Family of Kaplan.

So many wonderful improvements have been made at Maltrait Memorial School through the years. Today Maltrait has a stable enrollment in grades Pre-K through Eighth.

Pre-K through Second grades are self-contained with the teacher conducting all academic courses and a religion teacher providing religious education on a daily basis. Third and Fourth grades are self-contained and team taught with a religion teacher providing religious education on a daily basis. Fifth through Eighth grades are departmentalized including religion as a daily subject.

Maltrait now has a well supplied and equipped Library as well as a modern Computer Lab.

Mission Statement (revised, as adopted November, 1995)

The Mission of Maltrait Memorial School is threefold: **Faith Development**, **Academic Excellence** and **Leadership**. Maltrait Memorial School cooperates with the Church and the parents to assist, guide, inspire, instruct and form the children so that they may perfect themselves spiritually, intellectually, morally, emotionally and socially. With the help of God's grace, Maltrait strives to promote the supreme goals of human life in this world, and prepare the students at the same time for eternal life.

To achieve this Maltrait reinforces our Catholic heritage and family values incorporating values of love, prayer, morality and service, all of which are rooted in the home and nurtured in the school.

It is our purpose to give to all students basic religious instruction and formation, basic knowledge, understanding and skill in all the fundamental school academic subjects. Our objective is to produce a well-rounded person, an individual prepared to fulfill all his duties, those toward his family, civil community, his world, his church and his God.

School Motto: "God, Children and Learning Are Our Priority"

PHILOSOPHY

Maltrait Memorial Catholic School is committed to the work of the church through the ministry of education. In the Bishops' text, *To Teach as Jesus Did*, it is stated that we have a three-fold ministry: giving the message of God, fellowship in the Holy Spirit, and service to the community.

Maltrait strives to teach the individual to seek the good in all people by helping students develop social acceptance of others regardless of race, color, creed, handicap, national origin or financial status, in a safe peaceful environment.

We believe in providing the child with a sound academic education which will meet his/her emotional, intellectual, physical, religious and social needs.

Through the educational process, Maltrait nourishes self-esteem as well as humility in each individual and continues the development of Christian values and God-given talents begun in the home. Self-discipline is recognized as a prime factor in keeping alive the enthusiasm for learning.

The greatest accomplishment Maltrait can achieve is to foster, in partnership with the parents, the spiritual, intellectual, social, emotional, and physical development of each student. This in turn will enable the student to grow into a mature and active Catholic parishioner, capable of serving God, country and others, now and into the future.

SOCIAL MEDIA POLICY

INTRODUCTION: The Diocese of Lafayette and its affiliates recognize that, with the increasing prevalence of the Internet in the world today, clergy, employees, and volunteers will use the Internet to conduct ministry, educate, and communicate with the faithful, associates and friends. Social media in particular, provides various ways for individuals to interact and has changed the way we communicate and share information. The Diocese encourages pastors, principals, and administrators to support the use of social media and give clergy, employees, and volunteers the necessary training and tools to interact safely and responsibly online. Those using social media must be aware that certain comments and information can misrepresent the positions and activities of the Church, Diocese of Lafayette, and its affiliates. Clergy, employees, and volunteers are required to adhere to the following policy regarding social media for evangelization, education, and personal use, including but not limited to:

Social networks, text/instant messaging, websites and blogs.

Social Media – Diocese of Lafayette and Affiliates

1. The Diocese supports the use of social media tools as a means to conduct ministry and education. Social media is a powerful tool; therefore, sites affiliated with diocesan institutions (parishes, schools, offices, etc.) may not be used for: 1) conducting outside business 2) defaming the character of any individual or institution 3) misrepresenting the positions or activities of the Diocese of Lafayette or its affiliates 4) divulging any personal information, particularly about minors that would jeopardize their safety or well-being in any way. Supervisors who approve individuals to create a website are responsible for monitoring the website.

Social Media – Personal Use

2. The Diocese of Lafayette and its affiliates recognize clergy, employees, and volunteers may create personal websites, blogs and social media identities (pseudonym, alias, or handle i.e. @thegospeltruth) as a medium of self-expression, i.e. not a direct extension of church ministry or work. However, clergy, employees, and volunteers must recognize that anything published on a personal website is effectively available to the public. Any information that misrepresents the positions and activities of the Church, the Diocese of Lafayette and its affiliates is prohibited. Personal sites used for diocesan work, ministry, or education are subject to monitoring by their supervisor or designees. Reference should be made to pertinent canon law (see especially canons 220, 666, 747, 761, 779, 804, 822, 1063, and 1369), state and federal law, the professional code of conduct, employees policies, and contracts. Clergy, employees, and volunteers who are identifiable as affiliated with the Diocese of Lafayette are required to put the following notice in a reasonably prominent place on their personal website:

“The opinions expressed here are those of [name of person] alone. This site operates independently and is not associated with the Diocese of Lafayette or [name of parish/school].”

Protection of Minors

3. Clergy, employees, and volunteers are prohibited from posting or distributing personal, identifiable information, including photos and/or videos of any minor without verifiable consent of a parent or guardian. Personal identifiable information includes full name, photos, home address, email address, telephone number or any information that would allow someone to identify or contact a minor. Verifiable consent will take the form of a signed release/permission form from a parent/guardian. Ministry, educational, and personal websites may involve the use of a username and password to access all or portions of the site. In the event that clergy, employees, or volunteers, subject to approval by the Diocese of Lafayette or its affiliates, gives a minor access to a website that is not otherwise openly accessible to the public, that same access must also be provided to the minor’s parent/legal guardian. Social media at times involves the interaction between adults and minors, therefore, two (2) Safe Environment certified adults must have unrestricted access to monitor these types of communication, and at least one (1) of the two (2) adults must be employed by the institution (diocesan office, parish, school, etc.)

Confidential and Proprietary Information

4. Clergy, employees, and volunteers are prohibited from disclosing information that is understood to be private property or privileged according to the norms of canon law, state and federal law, diocesan policy, the professional code of conduct and contractual obligations.

Trademarks and Logos

5. Personal use of trademarks and logos that are protected intellectual property of the Diocese of Lafayette and its affiliates is prohibited.

Inappropriate Material

6. It is prohibited to post immoral and otherwise inappropriate material via social media. Inappropriate material includes but is not limited to: obscene, harassing, offensive, derogatory, defamatory, or sexually explicit comments, links, or images/video. Reference should be made to pertinent canon law (see especially canons 220, 666, 747, 761, 779, 804, 822, 1063, and 1369), state and federal law, the professional code of conduct, employee policies, and contracts.

Enforcement

7. Failure to comply with any of the provisions of the Social Media Policy will be grounds for discipline, up to and including termination or removal from position. The Diocese of Lafayette and its affiliates reserve the right to make changes to this policy at any time, at its sole discretion, and interpret and administer the policy in light of changing circumstances and events. The Diocese of Lafayette gratefully acknowledges the generosity of the United States Conference of Catholic Bishops, the Archdiocese of Cincinnati and the Diocese of Dallas, in granting the use of its social media policies and guidelines as a resource in the development of this policy.

Parent Cooperation Statement

A Parent Cooperation Statement was reviewed by the Diocesan Advisory Council and recommended to Bishop Jarrell for approval. The Bishop has accepted this statement as policy and mandates that it be incorporated in your Student/Parent handbook beginning with the 2012-2013 school year.

PARENT COOPERATION STATEMENT

An integral part of the educational philosophy of Maltrait Memorial Catholic School is the conviction that the school assists the parents/guardians in carrying out their primary responsibility of providing for the religious and secular education of their children. An ongoing positive working relationship between the parents/guardians and the school is critical to the success of the school and the students. As part of that working relationship, parents/guardians are expected to be involved as much as possible in the educational process, to refrain from conduct which thwarts the orderly administration and operation of the school, to support and participate in school activities, and to provide instruction to and set positive examples for their children both at home and in the community. While Maltrait Memorial Catholic School encourages the constructive exchange of ideas, feedback and suggestions intended to foster the continued growth and improvement of the school, Maltrait Memorial Catholic School is ultimately responsible for the orderly administration and operation of the school, including the policies and procedures implemented to achieve the school's goals. Maltrait Memorial Catholic School reserves the right to terminate the enrollment of any student(s) in the event that it is determined by the school's administration that (1) a positive working relationship between the school and the parents/guardians no longer exists and/or is irreparably damaged or (2) that the parents/guardians have failed to provide the support, assistance and example necessary for the religious and secular education to which each child is entitled. Furthermore, failure on the part of any student and/or parent/guardian to abide by the rules, regulations and policies as outlined in the school handbook may result in termination of the student's enrollment from the school.

Policy Statement

The intent of this policy is to support our Catholic schools' commitment to provide a safe learning environment for all students. As we are all created in God's image and likeness, the Roman Catholic Diocese of Lafayette affirms that all people have inherent dignity. We are called to reflect the values of Jesus in His regard and respect for all people as it is written "So always treat others as you would like them to treat you; that is the Law and the Prophets." (Mt. 7, 12). In this way, we build up the Body of Christ within our Catholic schools. Bullying and hazing creates an environment in which dignity and respect are compromised. Therefore, we attest, bullying and hazing have no place in our Catholic schools.

This policy shall apply to all students and shall be in effect while students are on school property, while on school-owned or school-operated/leased vehicles, while attending or engaged in school sanctioned activities, and while away from school grounds if the misconduct directly affects the good order, efficient management, and/or the reputation/welfare of the school.

Prevention/Education

To enhance the education, formation, and safety of our students, schools should endeavor to actively promote positive student behavior while prohibiting inappropriate behavior such as bullying and hazing. Therefore, schools operating in the Roman Catholic Diocese of Lafayette are strongly encouraged to:

- o Prohibit all forms of student bullying and hazing;
- o Provide adequate supervision to minimize the risk of bullying and hazing;
- o Provide continuing education/professional development on bully prevention for faculty and staff members;
- o Develop school-wide bullying and hazing prevention programs to educate students;
- o Incorporate bullying and hazing prevention lessons into the school's curriculum.

Definition of Bullying

Bullying is a deliberate and malicious pattern of behavior having the effect of physically, psychologically and/or emotionally harming another through abuse, coercion, intimidation and/or threats where the pattern of behavior is sufficiently severe, persistent and pervasive so as to create an intimidating or threatening educational environment, to substantially interfere with a student's performance in school, or to substantially disrupt the orderly operation of the school.

Bullying may be physical or verbal and may be in the form of gestures, writings, electronic transmissions, social media posts, sharing of photographs/video or physical acts. Bullying may be in the following forms:

- o Gestures (including but not limited to obscene gestures and making faces);
- o Name-calling, threats of harm, taunting and malicious teasing;

- Spreading untrue, injurious rumors;
- Disseminating inappropriate or embarrassing photographs or video;
- Hitting, kicking, pushing, tripping, choking, and other physical acts;
- Damaging and/or unauthorized use of personal property;
- Repeated shunning and/or isolation of another from groups or activities.

Definition of Cyber-bullying

Cyber-bullying is a form of bullying and is defined as the transmission of any electronic textual, visual, written, or oral communication with the malicious and willful intent to emotionally harm, coerce, and/or intimidate. Electronic devices may include, but are not limited to:

- Computers
- Tablets
- Mobile phones
- Other interactive or digital technologies

Definition of Hazing

Hazing is the deliberate encouragement, direction and/or participation (active or passive) of any activity which subjects another student to actual or potential physical, psychological or emotional harm, or civil or criminal consequences for the purpose of initiation into, admission to, affiliation with, continued membership in or acceptance by existing members of any school organization, group, or extracurricular activity, whether occurring on or off campus. "Consent" of the victim shall not be recognized as a defense to the school's prohibition of hazing. Hazing may involve harassment, degradation, humiliation, intimidation and/or ridicule to an individual or group, willful destruction of public or private property, or criminal or other offensive acts against third parties.

Reporting

The principal/designee is responsible for receiving complaints alleging violations of the anti-bullying and hazing policy. All school employees and volunteers supervising school-sponsored functions should report alleged violations of the policy to the principal/designee.

Investigation

Once an allegation is made, the principal/designee should promptly investigate the claim as soon as feasible under the circumstances. Any student accused of violating this policy shall be advised of the complaint and shall be given an opportunity to be heard. The extent of the investigation shall be at the discretion of the principal/designee as dictated by the facts and circumstances, and may include interviews and a review of any evidence presented and/or discovered.

Documentation

Documentation of the allegation, the results from the investigation, and the disposition is to be maintained in the school's student records of both the perpetrator(s) and the victim(s).

Notification

Parents/guardians of the perpetrator(s) and victim(s) are to be notified by the principal/designee.

False Accusation

Any student who knowingly makes a false accusation of bullying or hazing is subject to disciplinary action as set forth in this policy.

Retaliation

Retaliation against any person who reports bullying or hazing in good faith is prohibited and is subject to disciplinary action as set forth in this policy.

Discipline

Disciplinary action arising out of a violation of this policy shall be at the discretion of the school administration. Disciplinary action may include, but is not limited to, a warning, detention, suspension, or expulsion. Repeat violators are subject to additional disciplinary action.

SEXUAL IDENTITY POLICY

Maltrait Memorial Catholic School is committed to providing a safe environment that allows students to develop and prosper academically, physically and spiritually, consistent with Roman Catholic teachings and principles affirming that the body reveals each person as male or female and that the harmonious integration of a person's sexual identity with his or her sex is an expression of the inner unity and reality of the human person made body and soul by God and in the image and likeness of God. In fulfillment of these religious truths, our Roman Catholic educational environment shall reflect a relation to persons (including name and pronoun usage, uniforms, access to facilities and overnight accommodations, and eligibility for single-sex curricular and extracurricular activities) that is respectful of and consistent with each person's God-given sexual identity and biological sex at birth.

Recognizing that each person is created in the image and likeness of God ensures that dignity is safeguarded and safe environments are fostered. When parents send their children to Roman Catholic schools and when persons choose careers in Roman Catholic education, they should expect an environment consistent with the truth that God-created sexual identity speaks to His vision for each person's relationship to Him, oneself and others. Behavior and expressions of a person's sexual identity within the school environment that are inconsistent with these principles and/or which cause disruption or confusion regarding Roman Catholic teachings on human sexuality are prohibited. The full cooperation with this policy of school officials, faculty, parents and students is required and a condition precedent to the continued enrollment of each student and the continued employment of each employee, and the enforcement of this policy by the school is deemed a spiritual mandate.

Liturgical Minister and Altar Servers Guidelines

The following guidelines are for school laypersons who read scripture and/or altar servers during liturgical events and are referred to as Lectors and/or altar servers. These are to apply to those ministering during school Mass as well as other liturgical celebrations.

- Each Church parish is to form its policy and guidelines for its ministers and altar servers in accord with the General Instruction of the Roman Missal, Canon Law, and diocesan policies. Practices may differ from parish to parish, reflecting the variations allowed by these guidelines. These guidelines are produced in the spirit of helping our school experience the proclaimed Word of God as a powerful celebration by offering some basic, essential principles required by the very nature of the liturgy.
- Lectors and altar servers are to be fully initiated, practicing Catholics whose lives witness the Church's teachings. On special occasions and for pastoral reasons, a young person who is not yet fully initiated may be permitted to lector and altar serve during a liturgy. (Baptized, Eucharist, not yet Confirmed). The approval of the Pastor confirms the selection of the Lectors and altar servers.
- The proclamation of the Word of God, and serving at the altar is truly a service to the Church. Lectors bring the living Word of God to the liturgical assembly. Therefore, the ministry of the Word and serving at the altar should be treated seriously and with great dignity.

ZERO TOLERANCE POLICY

In order to comply with Diocesan directives and civil law and to ensure safe and secure learning environments in Maltrait Memorial Catholic School, free of drugs, alcohol, drug paraphernalia, violence, and dangerous weapons and to impose swift, certain disciplinary actions on students who endanger the learning environment, the following zero based policies have been adopted by Maltrait Memorial Catholic School.

To provide students with an emotionally safe and respectful learning environment expected in a Catholic School Maltrait Memorial Catholic School has adopted a zero tolerance policy on emotional violence.

These zero tolerance policies shall apply in school buildings or on school grounds at any time, or in school or private vehicles or buses, on or off the school grounds at any school sponsored activity, function or event.

1. **Weapons/Firearms (Louisiana Law)** – Illegal carrying, possession of a firearm or dangerous weapon within the boundaries of school property or on a school bus is a crime under the law of Louisiana. Anyone found guilty of the offense or illegal possession or use of a dangerous weapon and/or carrying a firearm, when such an offense is committed on a school bus or within the boundaries of school property, will be subject to immediate expulsion and to criminal penalties including fines and/or imprisonment under the provision of L.S.A. 14:95.2, L.S.A. 14.95 and other applicable laws.

2. **Drugs and Alcohol Possession, Use and Distribution** – Students who are under the influence of, purchase, exchange or barter for, receive or offer to take receipt of, negotiate to purchase or take delivery of drugs (including marijuana) or alcohol, or substances similar to or thought to be such substances, or drug paraphernalia are subject to the consequences. Violations of this rule will result in immediate expulsion and will be reported to the appropriate law enforcement agencies.

3. **Violence** – Violence is any form of aggressive behavior that may injure another physically or emotionally. Physical violence includes hitting, fighting, kicking or any other physical assault on the body of another person. Non-physical violence, which may affect another emotionally includes, but is not limited to teasing, name-calling, taunting, put downs, and insults. Threatened violence is defined as threatening to cause physical harm to another.

Any violation of any of the above rules and regulations may be cause for disciplinary action, suspension or expulsion.

ATTENDANCE, ABSENCE, TARDINESS

Regular attendance is essential for progress in learning and required by law. It is the shared responsibility of the school and the home to assist students in developing habits of punctuality and consistent attendance.

When a child is absent from school, more than just assignments are missed - namely, the actual instruction and class work on which the assignments are based. Frequent absences interrupt the continuity of the educational process. For this reason, students should only be absent due to illness and some other reasonable cause. Slight irritations (e.g. sniffing) should not keep a child from attending school. On the other hand, children who are generally ill should not be sent to school, as they are unable to concentrate on their studies and may spread their illness to others. Children should be free of fever for 24 hours before returning to school, and should generally be ready to participate fully in school activities, including recess.

A child is considered tardy if he/she attends less than 25% of a day missed (includes late check-in or early check-out). More than 25%, but less than 50% of a day missed is recorded as a ½ day absent. More than 50% of a day missed is recorded as a full absent day. Tardies accumulate and may add up to days absent. Tardiness will affect Perfect Attendance.

1. Unless necessitated by bus schedule, students should not arrive at school earlier than 7:30 a.m. and should be picked up no later than 3:20 p.m.
2. Any student arriving at school after the 8:00 bell is considered tardy and must report to the office. The parent must sign their child in or out. When tardy, a student will receive an absentee slip to bring to their teacher to be admitted to class.
3. When a student is absent, a note from a parent or guardian must be sent to the homeroom. Parents must call the office if student is absent. Parents may request that assignments and books needed to do homework be made available in the school office at the end of the day. Students are responsible for making up missed work and tests.
4. Students may not leave the school grounds during school hours. Those who anticipate a need to leave the school early must bring a note from a parent. A parent must sign the student out in the office.
5. Louisiana law states that elementary children missing more than 12 (twelve) unexcused/excused days per school year will not be given credit for that year's work. Exceptions can be made only in the event of extended illness (verified by a doctor) and/or approved by the principal and/or Parish Supervisor of Child Welfare and Attendance. Students who attend activities associated with MMCS (4-H, Beta, etc.) are exempt and not considered absences.
6. An excused absence is granted for non-attendance due to illness, death in the family or attendance at school sponsored function. Any other type of absence is unexcused, unless at the discretion of the principal and is so determined in advance. Teachers are not required to give make up work or test missed for unexcused absences.

GENERAL INFORMATION

No cell phones, smart watches and any other communication devices will be allowed on campus for students! In order to insure a safe environment and optimal learning environment, there will be no cell phones allowed on the grounds of MMCS. Violators of this rule will have the phone confiscated until a parent can claim it in the Principal's office.

The teachers are encouraged to provide enough homework to stimulate and reinforce class work. The age of the student should be considered in determining the type and length of homework assignments.

HOMEWORK FOR ABSENT STUDENTS

We are appreciative of conscientious parents and students in requesting homework when absence from school is necessary. However, because of frequent class interruptions to request homework assignments, a structured procedure must be followed. Reliable friends in the classroom have always been good sources for getting assignments to absent students, but if that is not possible, we offer the following procedure:

- A. Call the office (337-643-7765) before 9:00 a.m.
- B. The office will notify the teacher of the student's absence and request homework

assignment.

C. The home room teacher will circulate the assignment sheet to all course teachers.

D. The completed assignment sheet will be returned to the reception office with materials necessary to complete the assignments.

E. The assignments can be picked up at 3:00 p.m. It is not possible for parents or siblings to go to classrooms to get assignments nor can we have the assignments ready before 3:00 p.m.

If a student is too ill to complete a homework assignment, please do not request it. If the homework for an absent student is requested it becomes his/her responsibility to have it completed when returning to class.

TUTORING

Parents may contact private tutors. MMCS does not support nor recommend particular paid tutors. Tutoring services for profit may not take place on school premises.

The School Building Level Committee must be comprised of at least four members, including but not limited to, the child's teacher(s), an administrator and two other professional persons knowledgeable about the child in the individual school setting. The committee's decision regarding placement will be documented in the student's record folder.

The specific grade-level standards which the individual student will address will be reflected in that student's Individualized Education Program (IEP). If the student is addressing standards below grade level placement, asterisk (*) letter grades or "S/U" grading may be used denoting below grade level. This should be noted on the student's IEP and on the report card. The Specially Designed Regular Instructional Program is expected to lead to a regular high school diploma. Specially Designed instruction may take place in regular class rooms, resource rooms, self-contained rooms, home based or hospital settings. READING REMEDIATION/ INTERVENTION

Chapter I is a federally funded remedial program available to students. Students who rank below the 49th percentile in Language Arts on the Standardized test or who in the judgment of their teacher needs remedial work are eligible to attend Reading Intervention. Failure will not warrant retention, however, students are required to meet the criteria for eligibility in Beta and all Sport activities.

ATHLETIC PROGRAMS

A player must have an absolute D (1.0) average or better in school work to be in the athletic program. Any player having one (1) "F" in any subject during any marking period will be placed on probation, for the remainder of that particular marking period. Probation means a player may participate in practice but cannot play in any games until failing grades are improved to passing marks. This will be determined by the mid-nine week report or the nine-week report, whichever is the next consecutive marking period.

It is our priority to exhibit good sportsmanship and respect toward MMCS, as well as our visiting teams.

Any player having two (2) or more "F's" in any subjects during any marking period will be ineligible to practice or play until all failing grades are improved to passing marks. This improvement must occur during the next consecutive marking period or students will remain ineligible.

Any player not present during the school day should not participate in after school athletic events that same day, this includes practice.

Note: Marking periods will be the end of Mid-Nine weeks or Nine Weeks. Maltrait Memorial Catholic School follows all policies of the Acadian Catholic League.

TRUST FUNDS

Parents may start a fund as a donation or in memory of someone. School endowment trust documents are to have the signature of the Bishop of Lafayette. A copy of the document is then sent to the Office of Catholic Schools for filing.

FUND RAISERS Class time is not to be used for fund-raising activities.

FINANCIAL OBLIGATIONS

MALTRAIT MEMORIAL CATHOLIC SCHOOL has adopted a pre-paid tuition plan. All tuition is due at the time of registration. A local bank provides low-interest loans (Bank Notes) for those who prefer paying tuition monthly. Loans that are 90 days delinquent are canceled by the bank. In such instances, parents are expected to pay the delinquent balance in full when contacted by a school representative, in order for the student to remain in school.

Failure to comply will result in the child being dropped from the school enrollment. All other financial obligations including payment of lost textbooks, lost library books, lost or damaged equipment and uniforms, cafeteria payments or any other assessments must be current to receive report cards and records for students.

DEBT COLLECTION

MMCS will be entitled to recover “collection cost” in the event that outside resources are used to collect a debt.

WITHDRAWALS

Tuition is established on a semiannual basis (½ year). Beginning with the first day of class, any student who is in attendance on the first day of school or the first day of mid-term and has not communicated his or her withdrawal or resignation from school to the school principal, full tuition for that ½ year will be due to the school upon withdrawal.

New Diocesan Financial Obligation Policy

In the event of a natural disaster, disease outbreak or any other circumstances which, in the judgement of the school administration, make it is infeasible, unsafe or otherwise imprudent to continue campus-based education, school shall resume as soon as practical via distance learning and/or other methods adopted and/or developed by the school administration and faculty. Due to continuing financial obligations relating to operational costs, including administrative, faculty and staff salaries, there shall be no suspension, reduction or refund of tuition or applicable fees.

SAFE ENVIRONMENT TRAINING

On June 14, 2002, the United States Conference of Catholic Bishops approved a “Charter for the Protection of Children and Young People:”. The charter addressed the Church’s commitment to deal appropriately and effectively with cases of sexual abuse of minors. Bishop Michael Jarrell decreed on June 1, 2003, that the Diocese of Lafayette would recognize this new charter. Bishop Jarrell mandated that the Superintendent of Catholic Schools train all Principals to implement the Safe Environment program to their school families. Each Principal has trained his/her own staff and teachers. Each school hence named a Coordinator for the program. Mrs. Renee’ C. Meaux is coordinator for Maltrait Memorial Catholic School. Mrs. Meaux is responsible for all files on each person who attends the program. The program consists of Initial Training and Continuing Education which will be given on an annual basis.

Persons interested in attending field trips, substituting or volunteering for school activities must attend this training. This a mandated from the Bishop of the Diocese of Lafayette.

Parents and volunteers are encouraged to attend these training sessions annually. The Initial Training is approximately two hours and the Continuing Ed training is now online through Virtus at www.virtus.org. The Continuing Ed will be an on-going annual training. Information on the Virtus program may be obtained in the school office. All files of your training will be kept on location and forwarded to your church parish if needed.

Update by the Diocese of Lafayette – February, 2016

Safe Environment Background Checks will be rerun every five (5) years for all who are currently Safe Environment certified. The cost for rerunning these background checks are currently \$7.00 for Parents/Volunteers. Cost is subject to change.

MALTRAIT MEMORIAL CATHOLIC SCHOOL

NETWORK USER AGREEMENT AND PARENT PERMISSION FORM

The Internet is a vast global computer network which provides access to major universities, governmental agencies, school systems, and companies throughout the world. Maltrait Memorial is now offering Internet access to all students. Access to the Internet will enable students to explore thousands of libraries, databases, and bulletin boards. While our intent is to make Internet access available to further educational goals and objectives and a filter has been placed on our Internet access to restrict most of the inappropriate areas, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages.

DISTRICT INTERNET RULES

Students are responsible for good behavior on school computer networks just as they are in a classroom on the school campus. Communications on the network are often public in nature.

All school rules for behavior and communications apply. The network is provided for students to conduct research and communicate with others. Access to network services will be given only to students who agree to act in a considerate and responsible manner. Parental permission is required. Access is a privilege — not a right. Access entails responsibility. Individual users of the district computer networks are responsible for their behavior and communication over those networks. It is expected that users will comply with district standards and will honor the agreements they have signed. Users should not expect that files stored on district servers will always be private. Within reason, freedom of speech and access to information will be honored. During school, teachers of younger students will guide them toward appropriate materials. Outside of school, families bear the same responsibility for such guidance as they exercise with information sources such as television, telephones, movies, radio and other potentially offensive media.

USER RESPONSIBILITIES

Users of the Maltrait Memorial Network must conduct themselves in accordance with all school policies and rules as outlined in the student folders. Student use of the network is further governed by the Acceptable Use Policy which may be accessed on the Maltrait Memorial Home Page. In keeping with these policies and rules, the following are NOT allowed:

- Attempting to bypass the monitoring, filtering, or security system
- Revealing personal information about yourself or other people
- Sending or displaying offensive messages or pictures
- Using obscene, profane, lewd, vulgar, rude, threatening or disrespectful language
- Harassing, insulting or attacking others
- Intentionally accessing material which is inappropriate for school settings
- Damaging computers, computer systems or computer networks
- Violating copyright laws
- Using another's password or allowing others to use your password
- Trespassing in another's folders, work or files or any restricted area
- Accessing or using non-educational network resources which effects the educational use of others (i.e. downloading large non-educational files or videos, playing video games, etc)
- Employing the network for commercial purposes

Violations may result in a loss of access as well as other disciplinary or legal action.
