

Maltrait Memorial Catholic School

Dear Parents, Grandparents, Alumni, and Friends of Maltrait,

What a year 2020 has been! First, a pandemic in the spring that basically shut down the world for a few months. The end of our school year was a challenge, but we made it through. We then spent the summer months preparing for an unprecedented new school year. Although things were different, we placed our faith in God and made the best of our new situation. Then came Hurricane Laura. For the most part, our school was spared with only minor issues. We felt grateful and did what we could to help our friends in Lake Charles and Southwest Louisiana. Six weeks later, we were not so lucky. Hurricane Delta rolled through and caused major damage to our school campus. Both the shingled roof of the main building and the metal roof of the gym will have to be replaced. We also had many downed trees and branches that had to be cut and removed. We still have a lot of work ahead of us, but through it all, we remain grateful that no one was injured during the storm.

We need you!! We are calling on you to make a difference. Together **“Sharing the Load,** “we can support Catholic Education at Maltrait Memorial Catholic School. Maltrait is committed to the elements of Excellence, Tradition, Loyalty, and Pride among our students and their families.

The MMCS Annual Appeal is the single most important gift you can give to the school, and that sentiment takes on an even greater meaning during these challenging times. In response to the 2020 Pandemic, we have adjusted our budget to meet our most pressing needs. We have delayed some upgrades and reduced costs where we could. Our annual appeal is an essential program that helps Maltrait to sustain programs and activities, as well as the everyday operations of the school that are not covered by tuition income. Your support is also vital in assisting with the many challenges that the Pandemic and Hurricanes have presented for our school and our families.

As you ponder the gifts our school has given this community through the years, we ask you to prayerfully consider being a part of our 2020 Annual Appeal. Every gift, however modest, is appreciated. By coming together in prayer, and each family doing what they can, MMCS will come through this Pandemic and other challenges stronger than ever.

Please support our annual appeal and return your donation today. Thank you in advance for **“Sharing the Load”** and being a vital part of our 2020 Annual Appeal.
